

...d more style, quality, and luxury than ever in the Chris-Craft Fleet!

## 16' ski jet

With top speeds of 43 mph, this Sport Boat delivers plenty of thrills and jet-age water action! Propulsion is produced by a Beuhler Turbopower jet unit, powered by a Chris-Craft 185-hp V8 engine. No underwater appendages. Highly maneuverable; ideal for water skiing. Trailerable, too. Vinyl-covered foam seat in cockpit; forward deck is covered in durable vinyl. Ski tow, upholstered stern seat, vinyl cockpit paneling and floor covering are optional extras.
